WELCOME TO WALK FOR WAGEC

**Thank you for joining
Walk for WAGEC 2026.**

Every step you take and every dollar you raise helps women and children access safety, support and the opportunity to heal from violence.

Together, we're aiming to raise \$1 million to help break the cycle of violence and build safer futures for women and children.

This guide contains everything you need to get ready for event day and make the most of your fundraising.

Walk to end violence.

WHY WE WALK

Domestic and family violence is a national crisis. It's devastating. It's unacceptable. And it's why we walk. By signing up to Walk for WAGEC, you're helping to call for an end to this violence.

YOUR IMPACT

Your fundraising helps break the cycle of violence

When a woman leaves a violent partner, she often risks her safety, financial security and support network.

Escaping violence is only the first step. Women and children need safe accommodation, practical support and specialist services to help them recover from trauma and rebuild their lives.

\$55

Could provide a mother with a Welcome Pack, including toiletries, pyjamas and essential items.

\$89

Could provide one night of safe accommodation for a woman and child fleeing violence, including a bed, shower, fresh blankets and access to pantry items.

\$120

Could help provide one week's worth of groceries to a woman and child experiencing violence.

\$510

Could help six women access counselling services, supporting them to heal from trauma and rebuild their lives.

Together, we're aiming to raise
\$1 million.

Every step. Every dollar. Every participant
helps break the cycle of violence.
